PROFILE

- Computer-science engineer and visual artist with 8 years in motion, 3D, and live visuals; 50M+ YouTube views and a sold-out 15,000-capacity arena show.
- Founder of PALY S.R.L., producing music videos, VFX-driven ads, and real-time show visuals for artists, brands, and venues.
- Builds node- and parameter-based pipelines (TouchDesigner, Unreal Engine, ComfyUI) for immersive and projection-mapped live visuals.
- Seeking a creative-technologist role in Qatar's cultural and events sector.

CORE SKILLS

Real-Time & Interactive: TouchDesigner (actively specialising), Unreal Engine, Resolume Arena (VJ), projection mapping

3D: Blender (modelling, animation, simulation, rendering), Daz 3D (character design)

Motion & Post: DaVinci Resolve (primary), Adobe After Effects

Design: Adobe Photoshop, Adobe Illustrator

Generative AI: ComfyUI (local Stable Diffusion pipelines with full parameter-level control)

Capture & Colour: video shooting, S-Log workflow, colour grading

Technical Foundation: Computer-science engineering background for custom, technically demanding workflows

SELECTED PROJECTS

- **Sold-out arena visuals · Joona Fraser:** created the live visuals for a sold-out, 15,000-capacity concert at Ziggo Dome, Amsterdam.
- **Immersive 360° experience · University of Wolverhampton (UK):** produced a 15-minute immersive visual experience for a 360° dome (IGLOO), commissioned by a UK digital agency.
- **Festival & club visuals (VJ):** designed and performed real-time visuals and projection mapping at Codru Festival and District23, and for event brands Spontan and Gaia (Timișoara).
- **Music videos & creators:** directed, shot, and edited content for top Romanian creators and recording artists, including Selly (Romania's most-subscribed YouTuber), Nane, Azteca, Og Eastbull, Petre Stefan, Marko Glass, Satra Benz, and Rava.
- **Advertising & branded content:** concept, cinematography, and 3D/VFX for brands including JBL, Vichy, Heidi, Otter, and Alka, plus social content for venues and events.
- **Sports & campaign content:** editing for FC Rapid (a leading Romanian football club), plus content for three political campaigns (under NDA).

EXPERIENCE

Founder & Creative Director, PALY S.R.L.

2024 – Present

Independent creative studio · Timișoara, Romania

- Run the studio end to end: concept, direction, production, post-production, and on-site technical delivery, across motion, 3D, VFX, and live visuals.
- Manage client relationships, creative briefs, budgets, and deadlines as sole operator; a number of projects delivered under NDA.
- Develop reusable node-based and generative pipelines (TouchDesigner, Unreal Engine, ComfyUI) to produce distinctive results efficiently.

Independent Motion & Visual Artist (Freelance)

2017 – 2024

- Eight years of continuous freelance practice in video, motion graphics, and 3D; the foundation later incorporated as PALY S.R.L.
